Ngā mihi, Rosalie Stevens

Map

Here is a map of the fields that will be marked and played at Bledisloe School.

T-ball Rules, Information & Scoring Sheet

Please bring a bat, a ball, and your first aid kit. There is no start time, you will begin play when your opposition arrives. Team numbers can be negotiated (fair/even) at times of play. Enjoy!

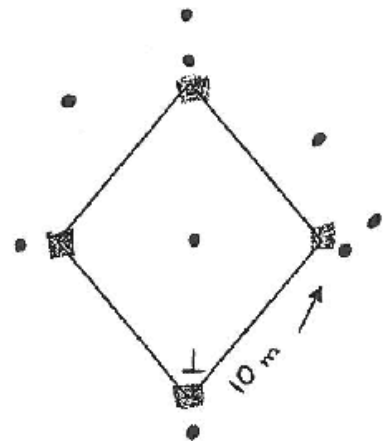

Rules

I have attached the Kiwi t-ball rules, however, please note for this year's 0-2 competition, the ball is to be thrown directly to the home base, not to each base). The batter continuously runs until the home base fielder yells, 'Stop!'

KIWI T-BALL

EQUIPMENT 'T' stand – 4 bases – Flexiball (SB162) – Bat
TEAMS 10 players
DIAMOND

- 10m between bases
- Base players behind bases
- Back-up players behind base players

BATTING

Batter hits the ball off a 'T'. Keeps trying until it has gone at least 3 metres into fair territory (within the diamond). Batter runs to 1st base – second – third – first etc, putting foot on the base each time. Bat must be thrown clear to right on way to first base NOT thrown down or behind – batter is OUT if this is done.

Batter's turn finished when –

- The hit is caught
- Fielding team has thrown ball around diamond to home where the catcher calls loudly STOP!

The number of bases reached at this point is counted as runs scored. These accumulate until the whole team has batted.

NB: Batters sit in line at designated point well clear of home base.

FIELDING

Base players stand behind bases, not on them. The hit ball is fielded to base 1 player who puts foot on base and throws to second – third – home base – catcher calls 'stop' with ball in hand and foot on base. Ball is returned to 'T' for next batter.

Fielders need to 'back up' base players so they do not have to leave the base area.

Base players change each innings to give others a turn.

INNINGS

Each player bats before changeover. Aim at two innings each in the 45 minutes – if not completed, count score as at end of equal innings.

SCORING

One point for each base the batter reaches before the opposing catcher calls 'stop'. Accumulate points. Coach of team not refereeing to keep score and announce to both teams at the end.

FAIR PLAY

I suggest each coach awards a 'Fair Player Award' to a team member each week. It is important to get good attitudes established early!

SKILLS TO TEACH/PRACTISE

Batting Throwing Catching Base running Fielding back-up

REFEREEING

Use this as a teaching time for both teams if/when you see a need. Encourage '3 cheers' and thank you at end of game.
